Urban Design and Planning: Referees 2018

The following is a list of referees who have reviewed papers for Urban Design and Planning between 1 January 2018 and 30 November 2018. The Institution of Civil Engineers is very grateful for their assistance.

We are continually looking for suitable reviewers for papers submitted to *Urban Design and Planning*. Papers published in the *Proceedings of the ICE* must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to urban design and planning, please submit your name, qualifications or CV, and

areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Abiola Lawal (tel.: +44 (0)207 665 2249; e-mail: abiola.lawal@ice.org.uk) for more information on the referee process.
