Elsewhere in *ICE Proceedings*

S. K. Fullalove, *Editor*

The following are titles of papers published in other parts of *ICE Proceedings* during 2009 that readers of *Urban Design and Planning* may find of interest. ICE Virtual Library is the largest online civil engineering resource in the world. Summaries of all papers are freely available at www.icevirtuallibrary.com/content/journals, and full papers can be downloaded for £15 each. ICE members can download up to 15 papers for a single fee of £29.
